

# CALL FOR PAPERS

The 4<sup>th</sup> International Conference on  
Information and Computer Technologies

Kahului, Maui Island, Hawaii, United States

## Conference Topics

- Artificial Intelligence
- Automated Software Engineering
- Bioinformatics & Scientific Computing
- Biomedical Engineering
- Bio-informatics
- Compilers & Interpreters
- Computational Intelligence
- Computer Animation
- Computer Architecture & VLSI
- Information Systems
- Computer Based Education
- Computer Games
- Computer Graphics & Virtual Reality
- Computer Graphics & Multimedia
- Computer Modeling
- High Performance Computing
- Human Computer Interaction
- Image Processing
- Information Retrieval
- Internet & Web Applications
- Knowledge Data Engineering
- Mobile Computing
- Multimedia Applications
- Natural Language Processing
- Neural Networks
- Parallel & Distributed Computing

.....

More information with  
<http://www.icict.org/cfp.html>

ICICT is an annual conference hold each year in United States and previous editions were held in Silicon Valley, University of Hawaii Maui College, Kahului, and Northern Illinois University (NIU) DeKalb.

## Conference Proceedings

ICICT conference proceedings will be online and submit for **Ei Compendex & Scopus** index.

- 🔗 ICICT 2020, IEEE ISBN: 978-1-7281-7283-5 ([online](#)), Ei & Scopus indexing ([click](#))
- 🔗 ICICT 2019, IEEE ISBN: 978-1-7281-3322-5 ([online](#)), Ei & Scopus indexing ([click](#))
- 🔗 ICICT 2018, IEEE ISBN: 978-1-5386-5382-1 ([online](#)), Ei & Scopus indexing ([click](#))

## Submission Guideline

Send your work (.pdf) via online system:

<http://www.easychair.org/conferences/?conf=icict2021>

**Submission Deadline: September 30th, 2020**
